MEMORIES NEVER FADE

Good times, good friends, good memories, all of these are things that The Seniors of 1995 will remember forever. From the moment we entered Kindergarden until the day we walked across the stage for Graduation we have strived for good grades and to accomplish everything that our parents could ever wish for us. As we leave our great Alma Mater we take with us all of the great memories that we have made in the past twelve years. Some of the fondest memories of the Class Of 1995 were the times that we discovered important parts of ourselves and experienced new emotions. We learned responsibility --- to make a commitment and keep it, no matter how much time and dedication it required. At times we were worn down, but we always struggled to keep up the pace. For some Seniors the challenge was sports, cheerleading, or being involved in our very impressive band. For others simply trying to complete their senior year and graduate as an academic student was a challenge in itself. We were all striving for a similar goal --- personal and overall perfection; to be a better senior class than any that has come before. There were others, of course, who chose to be less involved in school. We were the ones who played the part of the dedicated employees. We worked long hours, recieved meager pay; but nevertheless, we had a good time. There were times when we all gathered for a celebration, for a special picture, or for the lack of anything better to do. On occasions like this, we learned about each other; we grew together and made memories. And all of these memories. . .

"MEMORIES NEVER FADE"

Cathy Darroch

What Is Your Best Memory Of Your Senior Year?

My fourth period Trigonometery class was a little "RAMBUNCTIOUS", but I managed to control them.

The most memorable times of my senior year were the times I "snuck out" of school.

Amanda Georgiana

My most memorable moment was walking around with "DREADLOCKS".

Hilary Aultman

My entire senior year was a memory in itself.

Amanda Batis

The most memorable moment of my senior year was walking across the stage for graduation.

Cathy Darroch

The best memories are those of everyone getting caught leaving school to get food, and never stopping.

Amber Hennessey

The fondest memory of my senior year is Senior Skip Day, because I didn't.

Kellie Broadwater

My best memory of being a senior is playing tag and trying to get to the blue doors.

Heather Swan

My most memorable times are those spent laughing at all those people who wear "Rustlers".

Hey whats this? Matt seems to have Lou in a headlock, I think Matt just might win this fight. (This is obviously a reason why we didn't have a wrestling team this year.) Well boys, you better keep your day job!!

THE CLASS SONG OF 1995!!!

Pictured to the left is Amber Hennessey, Nick Onderko, Chris Whipkey and Dave Czikray taking a break from their hard day at school in the hall.They really look like they could listen to some music, maybe our class song!!!!

The top ten songs of the year in order from the best to the worst,as rated by the Class Senior of 1995!!!

1. "Always", Bon Jovi
2. "On Bended Knee", Boys ll Men
3. "I'm the only one", Melissa Etheridge
4. "Sukiyaki", 4 P.M.
5. "Take a Bow", Madonna
6. "Here Comes the Hotstepper", Ini Kamoze
7. "Before I Let You Go", Blackstreet
8. "Another Night", Real McCoy
9. "Creep", TLC
10. "I Wanna Be Down", Brandy

"Always", Bon Jovi

Due to publishing complications,the staff was unable to print the lyrics to the song Always. To make up for it we would like to give our interputation of the song!!!!
The song mainly deals with some of the most toughest challenges that most relationships go through.Jealousy, cheating, and lying. Their video illustrates these issues.
The words to the song are mainly telling you that you don't know what you got until it's gone.

Choosing a Senior Class Song,is a very hard "Brain Storming" task to do. Alot goes along with choosing a song; it should be a popular song of that year,liked by almost everyone and it should most of all represent the class of 1995!!! Representation is not that inportant, but it helps.

Our class song was choosen from the Enjoy Magazine.In there was used the top 10 songs of the year,from those 10 songs, the students then rated their favorite songs from 1-10,one represented the best and ten represented the worst.Written in the chart above,shows how the students rated their songs. As you can see the number one song chosen by the Class of 1995 is,"Always", by Bon Jovi. It should definitly be a song the Class of 1995 will ALWAYS remember.....

Where's The Books ?

The remedial reading program is designed to help the students eliminate reading difficulties.This is done in a unique way using computers unstead of books.This keeps the students interested.It provides an opportunity to achieve your best in the regular classroom plus develop a more positive attitude toward school.The selected student is more than just a student who needs additional help with reading.He can be found amoung children at almost any level of general intellectual capability.No two readers who are experiencing difficulties are the same and it is likely that no two were caused by the same set of circumstances.

SUPPORT PERSONEL

Above : Karen Bradmen being very busy. Mrs. Steijnright smiling pretty for the camera!

The support personnel are very important people who contribute alot to are school. The way they contribute is by serving our lunches everyday. They put up with kids' mouths, people's attitudes, and all the noise. They are here everyday just as are teachers are. We are very appreciative of all of the lunch ladies for all they do. Bob Hayden is the manager of Carmichaels cafeteria. He makes up our menus, makes sure everything is in order, and that everyone is happy with what they are eating.

To the right: Jane Clovis working hard after all the lunches are done. Mrs. Franks looks quit surprised as they snaped her picture.

Aides Of 1995

Aides, otherwise known as helpers, fill a very important void at Carmichaels High School. Band aides, Office aides, and Library aides all have different jobs to do. Whether it's answering the phone, putting a book away, or copying music for Mr. Craig, the aides try their best to help out in anything they can do.

Putting together the yearbook, was one of the most difficult tasks the staff dealt this year. With orangizing our layouts, taking lots of pictures, and most of all just putting up with each other,was the biggest challenge we had to over come,in order for us to learn as a team, just what it takes to put together a great yearbook.With the year coming to an end, three classes working together and three Co- Editors in charge of getting all dead lines met,the staff was able to create the 1995 yearbook.
The Co-Editors would like to Thank the staff for their hard work and great show of effort, and all who took part in making this yearbook the very best!!!! We hope you will enjoy the recap of 1995.

Christmas Festivities!

In celebration of the holiday season, Carmichaels school sponsered a Christmas dance in the gym. With guest DJ, Sandy Bogden, some students took advantage of the great music as pictured to the top right. To the bottom right, Other students take advantage of the great refreshments offered by our school. To the left, Hilary and Cathy are caught off guard on their way to the gym to join in on the festivities!

A Visit From Congress

On April 26, 1995, Congressman Frank Mascara paid everyone here at Carmichaels a visit. He presented our school with an American flag and in return we presented him with one of our very own Carmichaels T-shirts and a Mighty Mikes ball cap. He walked away with a good impression on our shool and everyone was very honored to have him as a guest.

Sumo Time!!

Get Ready To Rumble

On April 5, 1995, the senior standing committee sponsored a sumo wrestling event to help raise money for the senior class. As you can see by the pictures, in order to wrestle you must climb into a huge 30lb suit, strap in, and put on a helmet for the protection of your head. You are then transformed into a 500lb sumo wrestler and you're ready to go!

After bowing to your opponent, you precede to charge and "bump bellies", or use whatever tactics necessary to bring your challenger to the ground. Once you've accomplished that, you may demonstrate any move you wish while your opponent is lying helplessly on the ground.
With D.J. Ben McMillin's music in the background,the persons who took part in this event both had fun and had a few good laughs!It was a new and exciting opportunity here at Carmichaels and it was proved to be a sucess!

On the top right picture, we have Shannon Chun momentarily before being body-slammed by her challenger, Sheldon Chun. The top left picture is of Adam Lawrence giving the camera and the crowd a big cheeser after winning his match.

To the far right we have Abe Dickey immediately after using the length of the gym to his advantage by getting a running start before finishing off his opponent. To the immediate right is Leslie Harbarger demolishing her challenger. To the immediate top is the winners of the evening's matches posing with their prizes, SUMO T-shirts.

COAL QUEEN — 1994!

This years annual coal queen pagent took place on August 27, 1994. Our Coal Queen candidate this year was Farrah Lough. Farrah performed a lyrical acrobatic jazz dance to the music LOVE IS BLIND. Farrah took part in the annual Coal Queen Parade. Farrah is pictured to the right in the gown she wore in the pageant. Farrah is currently a senior and plans to attend Cal U and teach dancing at KAt & CO. Farrah tried out against 5 other contestants and proved to be the best representative for Carmichaels. Everyone in attendance was very proud of Farrah for her dedication and hard work.

This event helped to raise money for the Quarterback Club.Senior class president Amanda Batis commented that the donkey b-ball game should be banned, because she believes that we shouldn't support cruelty to animals.

To the far left is Chris Drotos riding for the football team, I wonder if his feet would touch the ground? Next is Meagan Bandish riding for the softball team. Above is Mrs. Harr looking very excited, or maybe scared.

WONDERFUL TONIGHT

Nina was crowned by senior football captain Chris Whipkey. Following the game a dance occured where the queen and her court danced to the music of DJ Sandy Bogden. This years Homecoming was one nobody will forget.

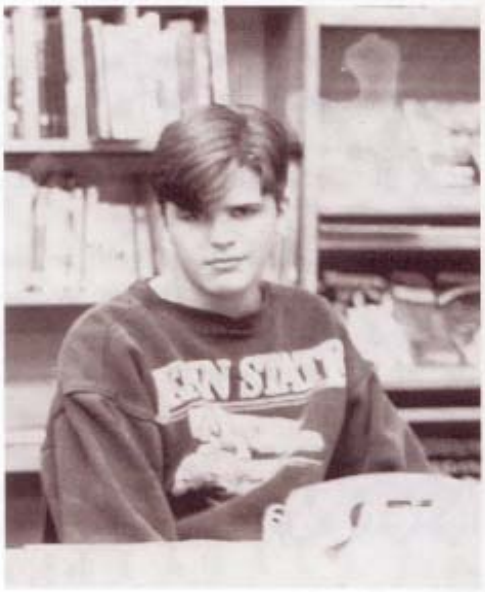
Friends And Memories

Friends are like Memories,
that never fade away.
They stay with you forever,
until your final day.
You can tell your friends anything,
and they'll keep it to themselves.
A friend is there to talk to
whenever you need to say,
whatever it is that's bothering you
through out the rest of the day.

GOOD TIMES

During the year of 1994-1995 a lot of GOOD things happened! Pictured to the right is Marty Caffery as usual wandering the halls. To the far right is Craig Redinger just waiting for that phone to ring.

Pictured to the bottom left is Chris Whipkey, Nick Onderko, and Steve Knetzer doing nothing as usual when they DO COME to school. Pictured to the bottom right is Hilary Aultman, Farrah Lough, and Mac Worch faking illnesses so they don't have to take gym.



GOOD TIMES

BAD TIMES

Pictured to the far left is Mrs. Pascuzzo having a bad day because her Trig. class broke ANOTHER calculator! To the right of Mrs. P. is Jason Yuras and Adam Christopher wondering if the pop machine will ever get refilled.

Pictured to the bottom left is Mr. O'Hara and Chris Teagarden depressed because one of the computers is not working. Pictured to the bottom right is Travis Penich and Justin Andrews wondering when Mr. Brigg's Chem. class will be over.

BAD TIMES

MEMORIES NEVER FADE

And now it's time to say goodbye to the senior class of 1995. On graduation day we'll start a new life and we'll say our last goodbyes, to all the friends we've grown to love, with whom we've laughed and cried. Remembering the fun and laughter, the problems and the fears, and watching all our memories grow throughout our high school years. The memories of the dances and the new friends that we've met, vacation, teachers, talking and exams we'd rather forget. Yes, high school days are precious but brief, Where all your dreams come true; It is not the end, but the beginning of a life we're starting out new. And now our story's over, and yet it's just begun, the world is out there beckoning, each hears a different drum. We'll each one keep our memories of years within these halls, yet each will now go forward answering their own siren's call. At times our steps may falter, yet some will travel far, and each in turn endeavor to catch their shining star. When the graduation ceremony comes to an end, we will all go our seperate ways. The one thing that we will have to remember our high school days is this yearbook. It will always be something unique for us to remember- our small senior class and our small town with big spirit. Best wishes to the Class Of 1995!!

AT INTEGRA BANK, OUR MOST IMPORTANT INVESTMENT IS IN OUR COMMUNITY.

At integra Bank, we're committed to helping our communi ties, our neighbors and the busi- ness in this area, And we work hard to fulfill the commitment every day.

By being strong, stable bank. By helping local people and businesses. And by encouraging and supporting our employees' involvement in civic events. While we're apart of the largest bank holding companies in Pennsylvania, we're still a neighborhood bank, just like we've always been. Our people live and work right here, and under- stand the opportunities and challengs faced by those we serve.

And that type of investment always gives the greatest return.
